Recommendations of the Superintendent

Mr. Detwiler presented his plan and explained his recommendation of a temporary mask mandate.

He introduced 2 guests:

- Dr. Iracema Aravelo – She is a Pediatric Physician and came to share her experiences as a provider in this community. She provided a Power Point handout.
- Dr. Mary Bower, She presented some data to answer questions presented at the last Board Meeting.

Mr. Detwiler read a letter from Sandusky County Public Health Commissioner, Bethany Brown.

Mr. Detwiler proposed a three week temporary mask mandate that would start on Monday, September 27, 2021 and go through October 15, 2021. A reevaluation will be made as it gets closer to that end date. This would be an indoor mandate. We will continue with masks for indoor extra curriculars and events. Masks can be taken off for outdoor activities where three feet of separation can be maintained. Phys Ed teachers are permitted to remove masks for physical activity if 6 feet of distance is possible. Quarantine rules would still apply within three feet. This mandate would be for all persons regardless of their vaccination status. A doctor's note will be required for exemptions. Bus masking will continue unless the federal rules change. The refusal to wear a mask will be handled as a low level insubordination with escalating consequences.

BOARD MEMBER COMMUNICATION AND INFORMATION

Thank you to the community members for coming to the meeting this evening and to those that came to the special meeting on Thursday. We are a small community. Everyone set a good example with showing respect and courtesy for everyone's opinions and to one another. It is nice to hear both sides in order to make the right decisions, especially when they are difficult ones to make. The Board wants to do the best for our children, and we do make decisions from the heart.

Commended Denice Hirt and Erin Parker for their hard work and wonderful presentation. Very excited about the progress and it is so nice to see how the kids have advanced.

Thank you to Mr. Mollis for the items that he has brought to our attention.

Congrats to our Little Giants.

BOARD MEMBER REQUESTS

Mr. Price: Would like to track quarantine and contact tracing measures and take a good look into the quarantine rules. Why are these rules not implemented to everyone?

Mr. Gorobetz: Has the Health Department explained the reasoning behind the quarantine rules. These guidelines should be across the board. He would like to request an answer from the Ohio Department of Health.

Ms. Laird: She would like to know if the Ohio Department of Health has a public meeting to participate. If not, she would like to get the contact information.
