Happy Holidays to our Lutz Families!

It is beginning to look a lot like Christmas at Lutz as the hallways and learning studios are festively decorated. Winter Wonderland is the school-wide theme. Over the next few weeks the students will be participating in various December games and activities, including Christmas Bingo and STEM activities. We will have a Candy Cane Carnival during our school day on December 13th with holiday-themed contests and Christmas cheer will be shared during a candlelight lunch on Tuesday, December 19th. Additionally, the students can take part in daily, themed attire beginning the week of December 11th. Please see the attached page for more information. We would not be able to implement all of the activities if it wasn't for the support of the Lutz PTO. Thank you!

The entire Lutz Staff would like to wish everyone a Merry Christmas and a blessed holiday.

Dr. Pierce
Mrs. Roth

Lutz Students Show Generosity

As our November community service project, we were able to donate hundreds of items to the Fremont City Schools Food Pantry. Students were able to vote for Ohio State or Michigan with their canned goods. In honor of their food drive victory, the Ohio State fight song was played on Tuesday before Thanksgiving break.

Our December community service project is to support The Marine Corp. with their annual *Toys for Tots* program. Students can bring in a new, unwrapped toy by December 8th to help make Christmas brighter for other children.

Thank you to our Lutz students, parents, and staff for their generosity and willingness to give these worthwhile community projects.

Career Spotlight--To learn more about different careers visit
<http://kids.usa.gov/jobs/index.shtml>

Career Title: Theatrical Designer / Properties Artisan

Education: The Theatre School at DePaul University
 Degree earned : Bachelor of Fine Arts in Scenic Design

What are your job duties? : As a designer, I create the set for a play. As a properties artisan, I am part of a team that makes or purchases props and furniture that the actors use during the show. I also decorate the set with the scenic designer and director's artistic vision.

What is your favorite and least favorite part about your job? My favorite part is that I am doing something different everyday, from shopping to upholstering or painting. I also love the collaboration between artists to create a unique audience experience. My least favorite part is cleaning up the shop after we have closed a show and have to put it all away.

Acceptance is the word of the month for December. Acceptance is the action or process of being received as adequate or suitable, typically to be admitted into a group. Accepting others who may be different from us is important and making sure we always include others is something we teach our students here at Lutz.

Ways to Raise an Accepting Child

- Teach them about differences.
- Allow them to ask questions and have open conversations about differences.
- Teaching your child ways to treat others with care and compassion.
- Speak softly. Your kindness will be a role model for how to treat others.
- Acknowledge and listen to others who are talking.
- Treat others with respect. Kids practice what is modeled.
